Endorsement for Shepherd's Help

To Whom it May Concern:

It is with great pleasure that I recommend to you Shepherd's Help and Jim and Sandra Parrish.

Jim and Sandra have been faithful, active members of First Baptist Church Jacksonville, FL for over 20 years. They have served in various ministries during their time at FBC. They are both humble, loyal servants who love the Lord and seek to minister to those around them, specifically ministers and their families.

The Lord has given Jim and Sandra a burden and a passion as well as a gifting for ministering to hurting pastors and their families. If we're honest, we have to admit that ministry can be hard – not only for the pastor but for his wife and children as well.

Jim and Sandra, through Shepherd's Help come along side pastors and their families and minister to them in a kind, loving and practical way. They help ministers renew their hope, encourage them in their walk with the Lord, love them unconditionally and pray with them through difficult times.

I recommend Jim and Sandra and Shepherd's Help without any reservation.

Because of Him,

Mac Brunson
