To Whom It May Concern:

It is my great pleasure to introduce and recommend Shepherd's HELP to you. Jim Parrish has been a great friend to me personally and has been actively involved with the Jacksonville area of churches. I know that he has a great heart to see pastors and their families thrive.

Let's face it - ministry can be hard and at times. Pastors need a friend they can count on to bring encouragement and clarity to their life and calling. Jim has a great way of being supportive and a good listener to those he encounters. On several occasions, we have recommended that a ministry leader spend time with Jim and have always received great feedback on his helpfulness to them.

Please feel free to contact me if I can provide further information. I strongly commend Shepherd's HELP to you and hope you will consider partnering with them.

Blessings!
